The Ministry of the Good Shepherd was formed here, in Boca Raton, Florida, to raise funds for the mission work of Sister Immaculata and the community of Mercy Sisters in Northern Peru, South America.

Sister continues to need your support and asks the ministry and parishioners of St. Joan's to continue their generosity. Against the harsh realities of poverty she poses her vision and the hopes of the people. She asks us to help. For the Ministry of the Good Shepherd and its generous donors those requests prove to be irresistible.

Programs include:

- Churches

- Libraries
- Child Care Centers
